

FULL Stack Web Development FREE Resources

1. freeCodeCamp.org

- **Description:** Offers full-length, free courses on MERN stack, JavaScript, and web technologies.
 - **Recommended Playlist:** [MERN Stack Full Course](#)
 - **Channel Link:** [freeCodeCamp.org](https://www.freecodecamp.org)
-

2. Traversy Media

- **Description:** Known for high-quality, beginner-friendly tutorials on full-stack development.
 - **Channel Link:** [Traversy Media](https://www.traversymedia.com)
-

3. The Net Ninja

- **Description:** Beginner to advanced tutorials on full-stack development and the MERN stack.
 - **Recommended Playlist:** [React + Node MERN Stack Series](#)
 - **Channel Link:** [The Net Ninja](https://www.thenetninja.com)
-

4. Code With Harry

- **Description:** Popular in India for detailed, beginner-friendly tutorials in Hindi and English.
 - **Recommended Playlist:** [Full Stack Web Development](#)
 - **Channel Link:** [Code With Harry](https://www.codewithharry.com)
-

5. Academind

- **Description:** Detailed explanations of modern web development and full-stack concepts.
 - **Channel Link:** [Academind](https://www.academind.com)
-

6. Hitesh Choudhary

- **Description:** Covers web development with a practical, project-based approach.
 - **Channel Link:** [Hitesh Choudhary](#)
-

7. Programming with Mosh

- **Description:** High-quality tutorials focusing on professional coding practices.
 - **Recommended Playlist:** [Full-Stack Development](#)
 - **Channel Link:** [Programming with Mosh](#)
-

8. Simplilearn

- **Description:** Structured content for beginners and advanced learners with certification-oriented tutorials.
 - **Channel Link:** [Simplilearn](#)
-

9. CodeEvolution

- **Description:** Focuses on React.js and MERN stack tutorials with clear explanations.
 - **Recommended Playlist:** [React Basics and Advanced](#)
 - **Channel Link:** [CodeEvolution](#)
-

10. Fireship

- **Description:** Quick, concise, and engaging explanations of web development concepts.
- **Recommended Playlist:** [MERN Stack Overview](#)
- **Channel Link:** [Fireship](#)

DSA IN C++

1. CodeWithHarry

- **Description:** Comprehensive DSA course in C++ with beginner-friendly explanations, examples, and step-by-step guides.
 - **Channel Link:** [CodeWithHarry](#)
-

2. Apna College

- **Description:** A popular channel offering a complete DSA course in C++ for college students, starting from basics to advanced topics.
 - **Recommended Playlist:** [DSA in C++](#)
 - **Channel Link:** [Apna College](#)
-

3. Love Babbar

- **Description:** Known for his famous "450 DSA Questions" series and in-depth explanations of DSA in C++.
 - **Channel Link:** [Love Babbar](#)
-

4. Aditya Verma

- **Description:** Focuses on DSA topics like recursion, dynamic programming, and more, with clear C++ code implementations.
 - **Recommended Playlist:** [DSA Dynamic Programming](#)
 - **Channel Link:** [Aditya Verma](#)
-

5. Striver (Take U Forward)

- **Description:** Provides an industry-relevant roadmap for mastering DSA in C++ with a focus on competitive programming.
- **Recommended Playlist:** [Striver's SDE Sheet - DSA](#)
- **Channel Link:** [Take U Forward](#)

DSA IN Python :

1. CodeWithHarry

- **Description:** Offers beginner-friendly DSA tutorials in Python with real-life examples and clear explanations.
 - **Recommended Playlist:** [Python DSA Full Course](#)
 - **Channel Link:** [CodeWithHarry](#)
-

2. Apna College

- **Description:** Covers DSA concepts step-by-step in Python, perfect for students and beginners.
 - **Recommended Playlist:** [DSA with Python](#)
 - **Channel Link:** [Apna College](#)
-

3. NeetCode

- **Description:** Focuses on solving LeetCode problems and explains DSA concepts with Python implementations.
 - **Recommended Playlist:** [NeetCode DSA with Python](#)
 - **Channel Link:** [NeetCode](#)
-

4. Simplilearn

- **Description:** A full DSA course for Python learners, with detailed explanations of algorithms and data structures.
 - **Recommended Video:** [DSA Full Course in Python](#)
 - **Channel Link:** [Simplilearn](#)
-

5. Tech With Tim

- **Description:** Covers DSA topics with Python, focusing on beginner-friendly explanations and practical implementations.
 - **Recommended Playlist:** [DSA in Python](#)
 - **Channel Link:** [Tech With Tim](#)
-

6. Edureka

- **Description:** Provides an in-depth DSA course in Python, suitable for both beginners and intermediate learners.
 - **Recommended Video:** [DSA in Python Full Course](#)
 - **Channel Link:** [Edureka](#)
-

7. FreeCodeCamp.org

- **Description:** A globally popular channel that offers a comprehensive Python DSA tutorial with practical coding sessions.
 - **Recommended Video:** [DSA with Python](#)
 - **Channel Link:** [FreeCodeCamp.org](#)
-

8. CS Dojo

- **Description:** Explains algorithms and data structures using Python with an engaging and clear teaching style.
- **Recommended Playlist:** [Data Structures and Algorithms in Python](#)
- **Channel Link:** [CS Dojo](#)

DSA IN JAVASCRIPT

1. FreeCodeCamp.org

- **Description:** A globally recognized platform offering a full DSA course using JavaScript with hands-on examples.
- **Recommended Video:** DSA Full Course in JavaScript
- **Channel Link:** [FreeCodeCamp.org](#)
